DANDY GUNMETAL SINKS

The DGMB109 R15 Stainless Steel Sink is made from a surgical grade stainless steel, meaning it is nonporous, rust free, and extremely durable. Nonporous sinks are antibacterial and easy to clean as there are no pores for the dirt and germs to get trapped in. The sound deadening pads on the underside of the sink help minimize noise. When it comes to contemporary and modern kitchen appliances, look no further than our Gunmetal sinks. These Gunmetal sinks set an exciting, classy, and attractive accent to your kitchen.
